Have a wonderful relaxing holiday!

The Fioraso family and all the Staff

In Abano Astoria we do what we believe in:

1. HEALTH AND SAFETY

Our Center makes use of:

- Throwaway or disinfected instruments, preserved under germicidal lamps
- High quality sheets and towels, washed at high temperature
- Carefully selected cosmetic products

2. PROFESSIONAL SKILLS AND KNOWLEDGE

To better assist and advise our customers, our staff is continuously instructed with refresher and vocational training.

3. KINDNESS AND WELCOMING

We want you to leave feeling happy and remembering our smile.

INFORMATION

ATMOSPHERE

All our treatments are performed by qualified people, in a relaxing environment with a soothing background music. In our Wellness Relax and Beauty Center you will find quietness and courtesy (no cell phones allowed).

PERSONAL TREATMENTS

To customize your treatment, tell our staff your specific needs and those areas needing more attention. If you are affected by a particular disease or you are not sure if you can have a specific treatment, you must consult our doctor in our Health Department.

Please communicate any allergy, diseases, or if you are pregnant.

RESERVATIONS

At the hotel reception upon arrival or when booking.

Before the massage we recommend an immersion in thermal water or a quick hot shower to prepare the skin to receive the benefits of the treatment you will be about to take.

Please come 5 minutes before the beginning of the treatment wearing a suit or bathrobe, your bathing suit and slippers.

Please understand for any small wait.

CANCELLATION

if not cancelled at least 24 hours in advance, treatments will be fully charged.

EXOTIC EXPERIENCES

Live a holistic experience thanks to our treatments based on pleasantly warmed ointments derived from natural elements.

AYURVEDA – Ancient Indian Tradition

NATURAL TREATMENTS

There are treatments originating from oriental medicines and characterized by specific pressures that balance the body's energy flow. These treatments come from alternative forms of therapy and have no contraindications (side-effects). They can be taken wearing a track-suit or comfortable clothes. Oils or other products on your skin are not used. For maximum effectiveness, it is good to repeat the same treatment several times.

REIKI - From ancient Eastern philosophical thinking, we rediscover how to reactivate the energy in our body. Hands resting for a few minutes on the body leave energy to pass in the form of heat or vibration. According to the philosophy of Reiki, the concept of health and healing is the natural consequence of a spiritual state of being in harmony with the surrounding world.

50 min. € 55

REFLEXOLOGY (feet treatment) **Ancient principles of Chinese medicine characterize this technique.** When dealing with specific points in the feet this treatment stimulates reflection of functionality of body-apparatus, organs and glands throughout the body. Thus, disturbed organs are stimulated at a distance.
